Rondrea came to Elevate with over six years of experience in the Property and Casualty Insurance industry. Prior to her arrival in 2016, she honed her skills as an Account Manager within the independent insurance agency sphere, focusing on underwriting, policy issuance, client service, and regulatory compliance.

Currently serving as the Director of Compliance at Elevate, Rondrea oversees a diverse portfolio of captive insurance companies, ensuring adherence to regulatory standards and industry best practices.

With credentials including an Oklahoma Property and Casualty Producers License and the esteemed Certified Insurance Service Representative designation from the National Alliance for Insurance Education and Research, Rondrea's dedication to professional excellence is evident. Notably, her commitment to exceptional service was recognized in 2015 when she was awarded the Outstanding CSR of the Year for the State of Oklahoma by The National Alliance, underscoring her leadership and community impact.

Continuing her pursuit of excellence, Rondrea is currently enrolled in the American Institute for Chartered Property Casualty Underwriters program, working towards achieving her Associate in Regulation and Compliance designation.
